# PEDAL CAR

## Design and Construction Guide

DRAFT WORKING IN PROGRESS

## Contents

Basic Instructions .....	3
Build Options.....	4
Materials .....	4
Overall size .....	4
Wheels: 20" or 16" .....	4
Brakes: Drum or Disc.....	5
Gears: Hub or Derailleur or 'other' .....	5
Components: Make or Buy .....	5
Information and Links .....	5
Physical dimension of the human body .....	6
Wheel Building .....	6
Spoke Calculator .....	6
Gear Calculator .....	6
Design notes: Steering .....	6
Design Notes: Axles and Drivetrain.....	6
Design Notes: Fibre-glass .....	6
Design Notes: Brakes .....	6
Suppliers.....	6
Cycle Components .....	7
Warnings and Legal Notes .....	8
